

Editing Tools

To Create a Gallery Block

Click **Insert a Block**

If there are multiple block options, click the **Gallery** tab at the top of the text block

Add the question to the top box

Select a layout for that block

Each block you add can have a different layout, allowing you to create a custom gallery

Click **upload image** to upload your image

You'll find the minimum image sizes next to the block name at the top

Fill in the image caption (optional) and image alt (required)

Click **Save Block**

Edit View view page publish preview cancel

Text + Media FAQ Testimonial Gallery

choose a different layout

2 Landscape Images (600px x 400px):

The screenshot shows a gallery block editor interface. At the top, there are navigation tabs: 'Text + Media', 'FAQ', 'Testimonial', and 'Gallery'. Below these is a 'choose a different layout' button. The main area displays two image slots side-by-side. Each slot contains a placeholder image icon, an 'upload image' button, an 'image caption' text field, and an 'image alt' text field. Blue arrows point to the '2 Landscape Images (600px x 400px):' text, the 'upload image' buttons, the 'image caption' fields, and the 'image alt' fields. At the bottom left, there are 'save block' and 'cancel' buttons.
